**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA**

NEWMATIC SOUND SYSTEMS, INC.
(a California corporation),

Plaintiff

vs.

MAGNAACOUSTICS, INC. (a New York
corporation), WAYNE LEDERER, individually,
and DOES 1-10, inclusive,

Defendants.

CASE NO. CV 10-00129 JSW

Judge: Jeffrey S. White

**PLAINTIFF NEWMATIC SOUND
SYSTEMS, INC.'S EX PARTE
APPLICATION FOR ADMINISTRATIVE
RELIEF AND APPROVAL TO FILE A
MEMORANDUM IN OPPOSITION TO
DEFENDANT'S MOTION TO DISMISS
FIRST AMENDED COMPLAINT IN
EXCESS OF 15 PAGES IN LENGTH;
DECLARATION OF TERRY S.
STERLING; ~~PROPOSED~~ ORDER**

TO DEFENDANTS AND TO THEIR ATTORNEYS OF RECORD:

Plaintiff Newmatic Sound Systems, Inc. ("Newmatic Sound") is opposing defendants' Motion to Dismiss First Amended Complaint For Lack Of Article III Standing ("Motion"). In order to properly oppose the Motion, more space is needed than the 15 pages allowed by this Court's Civil Standing Order, ¶6. Pursuant to Rules 7-10 and 7-11 of this Court's Local Rules, Newmatic Sound hereby submits its Ex Parte Application for Administrative Relief from the page limitation of 15

1 pages, and requests that approval be granted to file a longer opposition memorandum, not to exceed
2 25 pages in length.

3 Good cause exists to grant this Ex Parte Application. Defendants have moved to dismiss the
4 First Amended Complaint based on: an alleged lack of personal jurisdiction as to defendant
5 Magnacoustics, Inc.; an alleged lack of personal jurisdiction as to defendant Wayne Lederer; and an
6 alleged lack of Article III standing as a result of Newmatic Sound's failure to include Wayne Lederer,
7 owner of the patent at issue, as a defendant in the original Complaint (defendants claim that this
8 defect was not cured by adding Lederer as a defendant in the First Amended Complaint). The
9 arguments relating to all of these issues, and particularly the arguments relating to personal
10 jurisdiction, are very fact intensive. Newmatic Sound must detail all of the contacts that each of the
11 defendants has with the State of California, and then analyze those facts under the applicable legal
12 principles. To do so and still be able to respond to defendants' arguments regarding Article III
13 standing will require more than 15 pages.

14 Newmatic Sound anticipates that the memorandum in opposition to the Motion will not
15 exceed 25 pages, and that this amount of space is necessary to fully argue the issues raised in the
16 Motion. Newmatic Sound will not have the opportunity to provide the court with a full analysis of
17 the jurisdictional issues, including a complete analysis of the law and facts pertaining thereto, unless
18 this Application is granted.

19 Therefore, Newmatic Sound respectfully requests that this Court grant this Ex Parte
20 Application and allow Newmatic Sound to file a memorandum of points and authorities in support of
21 its Opposition to defendants' Motion to Dismiss not to exceed 25 pages in length.

22 DATED: April 7, 2010

Respectfully submitted,
